## What's Today's News?

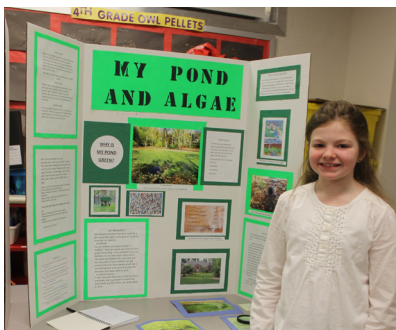

### Highland Park Science Fair/Invention Convention...

Jack Stokes. His Burger Buddy would be great when you're heading off to the next event of the day and need a bite to eat.

Kyle Burke. I know my cell is always dying... Kyle's Ride and Recharge gets you some exercise while you recharge your phone.

Emma Desautels. Her "My Pond Algae" project shows that while algae may not be pretty, it serves a purpose."

Luke Polley. His padded baseball pants, keep you "safe" as you slide into home plate!

Giovanni Farina. His Frozen Bandaid saves you time and the added step of needing to deal with potential swelling.

Julianna Golas comes from a house of people who love to cook and eat! Her Tongue and Taste project would help the top chefs know about pleasing a palate!
